WHAT'S BOTHERING YOU MY CHILD?

ARE YOU TRYING TO GUESS WHAT BREED THE CHICK WILL BE WHEN IT COMES OUT?

OH! NO. I WANT TO KNOW HOW IT GOT IN.

YOU COME IN SIDE.

Bishop's Neat Answer.
An infant terrible, to the great horror of her mother, once climbed up on the bishop's knee, and in her shrill, childish treble piped out: "Mr. Wilberforce, why do people call you 'Sonny Sam'?" The bishop was silent a moment, as if considering the matter, and then replied: "I don't know, my dear, really, unless it is because, though I often get into hot water, I always come out with clean hands!"—which was decidedly neat.

Modern Formula.
"Duty calls, madame!" "Ah! Just say that I am out."—Judge.

The revival services at the General Baptist church under the supervision of Rev. Todd, assisted by Rev. Winstead, is still going on, and will continue during the week. The attendance is good and much interest evidenced, the preaching is most satisfactory but few conversions have occurred. The unawakened of this place seems hard to reach, as meetings of this place are frequent and consequently sinners are very hard indeed to improve.

Blackberries are just coming in while the crop is large the berry is unusually small and owing to the peculiar season is not as sweet as usual, this fact coupled with the high range of sugar, will deter the thrifty housewife from putting the customary amount of this favorite berry. The wise will take early action in the matter.

Rev. T. J. Lynn has returned from Clay and vicinity where he warned the ungodly of their alarming proximity to that fire which is unquenchable he reports good attendance and satisfactory results.

Col. Toombs has returned from a few days sojourn in the Linton vicinity where he preyed upon relatives and friends, who he claims lamented to see him leave but those who know him best declare that he is easily deluded and that his friends are still in the bounds of consolation.

War is cutting down the use of liquors in England, but America is hitting the high spots at every jump.

Three of the most desirable things on this earth are peace, a full stomach, and a stuffed pocketbook.

Honesty is the best policy and will take you a long ways, but thievery often pulls down the biggest plums.

No wonder we have so many big paunches in this country. Forty-five per cent of the incomes is spent for food.
